

301S 6"x6" Screen

301S 6"x6" Screen

Here at siding mounts

All of us at Siding Mounts understand the importance of your home. We are homeowners too, and we settle for only the highest quality and best-looking products we can find. Cladding is all too often either ugly or does not function as it is intended to, which will cause myriad problems down the road. When we design our products, we keep the homeowner in mind. We want your home to be beautiful and safe from potential problems, so we designed state of the art cladding that ensures homeowners only the best experience possible. You can rest assured there will be no structural problems with our high-quality siding mounts. We design our products with functionality, aesthetics, and cost in mind. Nobody should

have to break the bank to do some simple maintenance on their homes!

Product description

The 301S 6" x 6" Screen is an excellent addition to any wall that needs some ventilation. Its small size means it takes up minimal space while still offering optimal air flow. We designed it with easy installation in mind while maintaining the high quality you expect from our products here at Siding Mounts. We are trusted by professionals, contractors, and homeowners across the nation and now you can find out why by hitting that add to cart button. Our products will make a wonderful addition to your home, sure to raise the value while offering you the protection you want and need from high quality cladding.

Details

The 301S 6" x 6" screen comes in one colour choice: white. It is a perfect neutral addition to your home for adding flow or a nice contrast. Our design focuses on aesthetics and function, meaning you are going to get the best of both worlds using the 301S 6" x 6" ventilation screen. Air flow is an important part of any home, keeping away moisture and condensation so mold cannot form. This vent will give you everything you need to combat such a thing!
