3x5 Mount

Here at siding mounts

All of us at Siding Mounts understand the importance of your home. We are homeowners too, and we settle for only the highest quality and best-looking products we can find. Cladding is all too often either ugly or does not function as it is intended to, which will cause myriad problems down the road. When we design our products, we keep the homeowner in mind. We want your home to be beautiful and safe from potential problems. You can rest assured there will be no structural problems with our high-quality siding mounts.

Product description

The 3×5 Mount is a nice, small mount cladding for your home needs. It comes available as a mount only, or if you would like, with a rain screen space. Additionally, you can also order it with a 3/4" hole and spacer, giving you options to find exactly what you are looking for to add to your home.

All of us here at Siding Mounts know how important it is to find the proper cladding for your home. As homeowners as well, we know your home is often your biggest investment, and for that reason you want to take care of it and choose the best and biggest value producing accessories for your buck.

The 3×5 Mount will meet all your homeowner needs and supply you with the functionality and aesthetics you require to make your home beautiful!

Details

The 3×5 Mount comes available in two colour choices: white or black, giving you the option of adding highlight features of your cladding to your home if you would like, or creating a nice flow by matching the lighter colour of your home with the white mount, or the darker colour of your home with the black. Cladding is not only for aesthetics, it is for function as well. And with the 3×5 Mount you get the best of both worlds.
