

5×6 Mount

5×6 Mount

Here at siding mounts

All of us at Siding Mounts understand the importance of your home. We are homeowners too, and we settle for only the highest quality and best-looking products we can find. Cladding is all too often either ugly or does not function as it is intended to, which will cause myriad problems down the road. When we design our products, we keep the homeowner in mind. We want your home to be beautiful and safe from potential problems. You can rest assured there will be no structural problems with our high-quality siding mounts.

Product description

The 5×6 Mount is ideal for use as a railing mount. If you are tired of the railing around your stairs outside getting filthy and damaged by the rain and snow and other elements nature tosses your way, the 5×6 Mount is the sure answer for you. It has a simple and sleek design that is sure to look amazing and add value to your property while protecting the railing from further damage by nature. Find out now why we are contractors choice and loved by homeowners across the country by adding to your cart now!

Details

The 5×6 Mount is only available in one colour right now: white. A classic tone that readily adds brightness to your home and is easy to clean, white is a sure choice for homeowners everywhere. The installation details are available with purchase of product. It comes with a base dimension of 5 1/2" x 6 1/2" and has overall dimensions of 7 1/2" x 8 1/2". This is one of our classic designs and one of our best sellers. Find out what all the fuss is about by clicking add to cart now! Comes available as mounting only or with a rain screen space – please choose which one you would like.
