

Flush Plug

Flush Plug

Here at siding mounts

All of us at Siding Mounts understand the importance of your home. We are homeowners too, and we settle for only the highest quality and best-looking products we can find. Cladding is all too often either ugly or does not function as it is intended to, which will cause myriad problems down the road. When we design our products, we keep the homeowner in mind. We want your home to be beautiful and safe from potential problems. You can rest assured there will be no structural problems with our high-quality siding mounts.

Product description

The Flush Plug is exactly how it sounds: a plug design that is flush. Perfect for those areas outdoors which are already covered from the elements, such as a covered patio, so there is no worry about the elements infringing. It comes in a variety of colours to choose from so everybody can find exactly what they are looking for to add to their beautiful home.

The colours include black, white, wicker, tumbleweed, clay, khaki, and storm. You can choose from mounting only or with a rain screen space. We are trusted by contractors and homeowners nationwide and you can find out why our products are beloved by all by clicking the add to cart button now!

Details

The Flush Plug is available in a variety of colour choices for you to choose from, ensuring the proper colour choice for your home. Whether you have a house painted in darker hues or lighter hues, there will certainly be a choice for you! We understand, as homeowners as well, how important cladding is to your home. We design our products to be aesthetically pleasing, highly functional, and made from top quality materials.

Rest assured your home will be in good hands with the Flush Plug from siding mounts! Not only will it raise the price of your home, but it will attract the attention of the neighbours who will be knocking on your door asking you where you got our products!
