

# Recessed Plug

## Recessed Plug

## Here at siding mounts

All of us at Siding Mounts understand the importance of your home. We are homeowners too, and we settle for only the highest quality and best-looking products we can find. Cladding is all too often either ugly or does not function as it is intended to, which will cause myriad problems down the road. When we design our products, we keep the homeowner in mind. We want your home to be beautiful and safe from potential problems. You can rest assured there will be no structural problems with our high-quality siding mounts.

Product description

The Recessed Plug from Siding Mounts is the ultimate protection from the elements. Living in Canada you are probably aware of the variety of weather changes we get from changing seasons. To make sure your home is protected you will want to have the proper products for the job. The Recessed Plug features a recessed design that protects from rain and snow and other elements that could cause a problem for your home. It comes in a variety of colours allowing you to choose the right fit for the colour of your home, adding highlights or blending when you want to. The colour choices are black, white, clay, khaki, storm, tumbleweed, and wicker. The options ensure you find the right piece for the home you love so much!

## Details

The Recessed Plug has the base dimensions of 4" x 5 3/4" and the overall dimensions of 5 3/4" x 7 3/8". It offers friendly protection from the elements while looking absolutely stunning, giving your home the flare it needs when it needs it. We are homeowners too and know how important cladding is to your home. You do not want to cheap out or cut corners so we manufacture high quality products that will be a dazzling addition to any home, anywhere in the country!
