## Surface Mount

## Here at siding mounts

All of us at Siding Mounts understand the importance of your home. We are homeowners too, and we settle for only the highest quality and best-looking products we can find. Cladding is all too often either ugly or does not function as it is intended to, which will cause myriad problems down the road. When we design our products, we keep the homeowner in mind. We want your home to be beautiful and safe from potential problems. You can rest assured there will be no structural problems with our high-quality siding mounts.

Product description

The Surface Mount is a classic piece of cladding and one of our best sellers. You will not find a home without one as they are so diverse and good looking people buy them for all sorts of reasons. You can attach your outdoor accessories to them or just use the Surface Mount as an accessory that looks good and covers up a part of your home that had been previously worked on and never repaired. We are trusted by homeowners and contractors across the country for a reason, click the add to cart button now to find out why!

## Details

The surface mount has a base dimension of 5 1/2" x 6 1/2" and an overall dimension of 7 1/2" x 8 1/2". It is available in one colour: white, sure to add a nice highlight to the appearance of your home. It also features a quarter inch centre opening to use however you deem fit. We are homeowners as well and we understand the necessity and importance of treating your home right. A home is often a person's biggest investment and it is essential to care for it properly to allow it to rise in value. Beautiful cladding can help with that, and the surface mount is a great place to start!
